Location: Oak Creek Campus

Start Dates: August and January

Admission Requirement: Age 18 or older; State of Wisconsin Emergency Medical Technician or Advanced EMT license (current); CPR certification issued by a WI DHS EMS approved provider (current). Students must meet Wisconsin DHS—EMS Chapter 110.06 initial training requirements and eligibility criteria; and Wisconsin DHS Caregiver Background Check requirements. To complete the course, students must obtain a Wisconsin DHS—EMS Training Center Training Permit. After students are admitted to the program, information will be provided regarding the Wisconsin DHS Caregiver Background Check, Training Center Training Permit, immunizations including COVID vaccination and TB testing, and medical exam requirements. This program admits students through a petitioning process. See program webpage for details.

Financial aid eligible: Yes.
Apply at fafsa.gov. Use School Code 003866.

Program Description

Become an integral member of an advanced emergency medical team, providing medical care in emergency settings. Students learn advanced principles of pathophysiology, pharmacology, medical conditions, traumatic injuries, and emergency medical interventions. Students completing the program with a grade of C or higher are eligible for the National Registry of EMT's certification examination which is required to obtain a Wisconsin Paramedic license.

Career Outlook

Employers include private ambulance services, hospitals, fire departments, industrial firms and security companies.
