

Emergency Medical Technician

PROGRAM CODE: 30-531-3

Technical Diploma

COURSE

EMS-192 EMT.....5

CREDITS

CREDITS **5**
 Total credits needed to complete this diploma

Program curriculum requirements are subject to change.
Current MATC students should consult their Academic Program Plan for specific curriculum requirements.

Location: Mequon Campus, Oak Creek Campus
Start Dates: August, January and June
Admission Requirement: Must be at least 18 years old when applying for the state EMT-Basic license, plus background check. Must be TCTP eligible.
Financial aid eligible: No

Program Description

Prepare to enter the emergency services field, which involves working with other healthcare professionals to deliver critical, prehospital emergency medical care. This program also is designed to enhance existing skills of individuals working in the field. Completing the program with a grade of C or higher prepares you to take the National Registry Examination, which is required for certification and licensure in Wisconsin.

Career Outlook

Employment opportunities exist in both the private and public sectors.

Program Learning Outcomes

- Prepare for incident response and EMS operations.
- Integrate pathophysiological principles and assessment findings to provide appropriate patient care.
- Demonstrate EMT skills associated with established standards and procedures for a variety of patient encounters.
- Communicate effectively with others.
- Demonstrate professional behavior.
