

Funeral Service

PROGRAM CODE: 10-528-1

Associate Degree

Location: West Allis Campus | **Start Dates:** August

Admission Requirement: This program admits students through a petition selection process; see this program's webpage at matc.edu to view petition process and all requirements. A minimum of 24 college credits in areas specified by the state examining board are required for admission into this program.

Transfer: Will transfer to one or more four-year institutions

Financial Aid Eligible: Yes. Apply at fafsa.gov. Use School Code 003866.

Program Description

This program prepares you for a career as a licensed funeral director and embalmer in a profession that demands compassion, dedication and creativity.

American Board of Funeral Service Education Program Learning Outcomes

- Explain the importance of funeral service professionals in developing relationships with the families and communities they serve.
- Identify standards of ethical conduct in funeral service practice.
- Interpret how federal, state and local laws apply to funeral service in order to ensure compliance.
- Apply principles of public health and safety in the handling and preparation of human remains.
- Demonstrate technical skills in embalming and restorative art that are necessary for the preparation and handling of human remains.
- Demonstrate skills required for conducting arrangement conferences, visitations, services and ceremonies.
- Describe the requirements and procedures for burial, cremation and other accepted forms of final disposition of human remains.
- Describe methods to address the grief-related needs of the bereaved.
- Explain management skills associated with operating a funeral establishment.
- Demonstrate verbal and written communication skills and research skills needed for funeral service practice.
