**Admission Requirement:** High school diploma or GED and demonstration of proficiency in basic computer skills or completion of COMPSW-106

**Transfer:** Will transfer to one or more four-year institutions

**Financial Aid Eligible:** Yes.

Apply at [fafsa.gov](https://fafsa.gov). Use School Code 003866.

### Program Description

Interior designers use creativity, technical knowledge and aesthetics to create solutions that improve the function and quality of interior environments. Coursework includes manual and computer-aided design (CAD) drawing and commercial and residential planning.

### Career Outlook

Employment in the kitchen and bath design and remodeling industry remains strong. Continued growth is expected in corporate interiors, healthcare and facilities design.

### Program Learning Outcomes

- Integrate codes that impact the interior environment.
- Integrate industry guidelines that impact the interior environment.
- Apply interior design business practices.
- Apply design process to interior design projects.
- Design within the parameters of the built environment.
- Apply fundamentals of design.
