16

Location: Downtown Milwaukee Campus

Start Dates: August and January

Admission Requirement: High school diploma or equivalent. This program admits students through a waiting list process. Visit the program’s webpage at matc.edu to view the waiting list process and all requirements.

Academic Preparedness Requirement: One year of high school-level biology or chemistry is recommended.

Financial Aid Eligible: Yes. Use code 003866 at fafsa.gov.

Bilingual (Spanish) program (30-508-2.L) also is offered. The start date is August only and is an open enrollment program; it does not require petitioning.

Program Description

This program prepares students to perform a variety of patient care responsibilities while under the direction and supervision of a dentist during the examination and treatment of patients. Coursework includes academic and clinical competencies, and students will have clinical experience in a dental practice. Students have the option of completing the program in one or two semesters.

Career Outlook

Employment opportunities for trained dental assistants are plentiful in private offices, hospitals and clinic settings.

Program Learning Outcomes

- Perform a variety of entry-level supportive dental procedures.
- Manage infection and hazard control.
- Produce diagnostic images.
