### Program Description

**This program is for bilingual (English/Spanish) students.**

Interpreters form a vital link in providing better healthcare. This program prepares you for employment to facilitate the communication, in Spanish and English, between patients and medical personnel.

### Career Outlook

The increasing demand for professional medical interpreters can be attributed to the need to provide quality care through effective communication and federal laws requiring language assistive services.

### Program Learning Outcomes

- Interpret bilaterally into English or Spanish in real time.
- Render oral sight translations from English and Spanish texts.
- Translate English and Spanish documents into target language.
