 Apply at fafsa.gov. Use School Code 003866.

Program Description

Get started in an auto repair career. This program prepares you for employment with automobile dealerships, body shops and manufacturing jobs requiring spray painting ability. With instructor's consent, portions of this program may be taken off campus for co-op credit.

Career Outlook

Employment prospects are good for trained technicians.

Program Learning Outcomes

- Straighten collision damaged sheet metal.
- Refinish automobile body parts.
- Replace nonstructural panels and parts.
- Perform collision repair welding procedures.

CREDITS
 Total credits needed to complete this diploma **32**

‡ Prerequisite required.
 Program curriculum requirements are subject to change.
Current MATC students should consult their Academic Program Plan for specific curriculum requirements.
