### CREDITS

Total credits needed to complete this certificate

# 15

**Location:** FAA-Certified MATC Aviation Center (Oak Creek Campus)

**Start Dates:** August

**Admission Requirement:** High school diploma or GED

### Program Description

Complete this certificate certified by the Federal Aviation Administration and you will be prepared for entry-level work as a line service technician assisting certified aircraft mechanics and structural assemblers, or you could work in airfield ground support positions. MATC’s Aviation Center is at 422 East College Avenue, east of the Oak Creek Campus.

Some certificates can be earned while completing associate degrees and/or technical diplomas that are eligible for financial aid. Certificate programs alone are not eligible for financial aid; contact MATC for details. All credits in certificate programs must be earned at MATC with a 2.0 cumulative GPA or higher. Upon completion of the certificate’s requirements, the student’s transcript is notated with the credential earned.

Program curriculum requirements are subject to change.

**Current MATC students should consult their Academic Program Plan for specific curriculum requirements.**

The Aviation Maintenance Technician - General (AMT-G Cert.) is certified by the U.S. Department of Transportation, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; faa.gov; FAA (Federal Aviation Administration) CFR (Code of Federal Regulations) Part 147 Aviation Maintenance Technician School.
