Program curriculum requirements are subject to change.
Current MATC students should consult their Academic Program Plan for specific curriculum requirements.

Program Description

Designed to prepare you to enter the masonry trade, this program teaches the fundamentals of laying block and brick. The program was developed with the assistance of local tradespeople and contractors. Graduates enter the field as a starting bricklayer. Classes are held at the MATC Education Center at Walker's Square, 816 West National Avenue, Milwaukee.

Career Outlook

Increased building construction has resulted in a need for bricklayers.

Program Learning Outcomes

- Lay brick and block.
- Examine residential, commercial and industrial methods of construction.
- Apply required OSHA safety standards in construction work.
- Demonstrate a professional demeanor as it applies to the trade.
